FDP Summary & Impact Report

Programme Scope

A intensive 5-day hybrid FDP focused on universal design, AI integration, neurodiversity, and outcome-based evaluation aligned with NEP-2020 priorities.

 Core Sub-Themes Covered

Academic Expertise

Led by eminent professors and scholars from GGSIPU, Delhi University (CIE), NCERT, and Jamia Millia Islamia (JMI) providing expert mentorship.

 Keynote Speakers

Key Takeaways

Participants gain practical skills in AI tools, inclusive teaching frameworks, and continuous evaluation models with official E-Certificates.

 Certificate Awarded

Program Feedback & Evaluation

Daily Session Feedback

Online feedback forms will be collected after each daily session to assess content relevance and presentation quality.

Valedictory Evaluation

Comprehensive programme feedback link will be shared during the valedictory session on Day 5.

Certificate Eligibility

Submission of feedback forms and mandatory attendance criteria are required for issuing E-Certificates.

About Us

Keeping in view the degradation of values in the contemporary society and the status of teachers, Vdit, Krishan Vihar, Delhi, strive to achieve excellence in the area of teacher education and try to bring out teachers who can transmit the age-old values and retain the status of teachers. Our institute is filled with student teachers who can carry the light of knowledge which can remove the veil of ignorance prevailed in the society. Instilling values, identifying hidden talents, providing opportunities for students to realize their full potential, and thus shaping them into future leaders, entrepreneurs, and above all good people is the goal of providing an affordable, high-quality education.

Objectives of FDP

This Faculty Development Programme aims to familiarize educators with the evolving demands of 21st century education by promoting inclusive and equitable teaching-learning practices, exploring innovative and experiential pedagogies, and integrating intelligent tools, AI, and ICT in classroom instruction. It seeks to enhance student engagement through technology-enabled approaches, align teaching strategies with NEP-2020 and outcome-based education, encourage reflective, collaborative, and interdisciplinary practices, and prepare faculty to create future-ready learning environments for holistic learner development.

Expected Outcomes

At the end of the programme, participants will be able to design and implement inclusive and learner-centric pedagogies, effectively integrate innovative and intelligent teaching tools including ICT and AI, and enhance student engagement through technology-enabled strategies. Faculty will demonstrate improved alignment with NEP-2020 and outcome-based education, adopt reflective and collaborative teaching practices, and contribute to the creation of inclusive, innovative, and future-ready learning environments.

Target Audience

Good Faculty Members, Educators, Academic Administrators, Curriculum Designers, Educational Researchers and scholars, UG-PG Students.
